Subject: Antigua & Barbuda OP 12 PDF B

Dear Walter, Andrea

Further to your review of the OP 12 PDF B for Antigua and Barbuda, recommending that the country not seek additional funding from the LDC SIDS project, we have advised the country, and they have sent a letter stating that they will not seek funding through the LDC SIDS project. I attach the letter. I hope this will now be sufficient for you to recommend the PDF B for approval.

Warm regards
