Dear Dr. Tenberg,

**RE: ENDORSEMENT LETTER FOR MOUNT KENYA EAST PILOT PROJECT FOR  
LAND AND WATER MANAGEMENT: A PROPOSAL**

Please refer to your letter of 15<sup>th</sup> August, 2002 on the above project proposal.

The GEF Technical Task force of the National Review Panel reviewed the project proposal on 3<sup>rd</sup> October, 2002 and approved it for endorsement. We are now submitting this proposal for consideration for GEF funding.

It is noted that the project is going to address issues of land degradation and poverty eradication, which are major challenges to sustainable development in Kenya.

The National Operational Focal Point therefore endorses this project on behalf of the Kenya Government.

We thank you for your continued support and cooperation.

Sincerely,

**AMB. PROF. MICHAEL K. KOECH**  
**DIRECTOR GENERAL**
