RE: Request for formal approval of the National Action Programme of Adaptation (NAPA) for Angola.

Dear Madame Lisa ,

In accordance with the Decision of the Conference of the Parties requesting countries to prepare their National Action Programme of Adaptation for the United Nations Framework Convention on Climate Changes (UNFCCC) I, in my position as Angola's National Focal Point confirm that the Government of Angola fully endorses the Angolan project proposal for the National Action Programme of Adaptation (NAPA) and will provide the necessary support.

The Ministry of Urban Affairs and Environment have prepared this project proposal with consultation and support of the environmental cluster from the United Nations Environmental Programme (UNEP) Office in Nairobi - Kenya.

I trust that the approval of this proposal will help to keep the momentum initiated with the implementation of the NAPA project.

Yours sincerely

Lucas Marcolino Miranda

Angola UNFCCC Focal Point
