Memo No. MOEF/Secy/2/2002/610-B

Dated the

November 27, 2002

Mr. Jorgen Lissner
Resident Representative
UNDP Bangladesh
IDB Bhaban, Agargaon, Dhaka.

Dear Mr. Lissner,

This refers to my earlier letter of April 24, 2002, wherein I had requested UNDP to assist the Government of Bangladesh in developing a NAPA (National Adaptation Plan of Action) document under the LDC special funds. I acknowledge with thanks the receipt of the initial document prepared by UNDP Bangladesh and have completed reviewing it. I understand and appreciate that a lot of time and effort went into its preparation.

I would like to reconfirm our intention of preparing the NAPA document with assistance from UNDP. To take this matter further, I would request you to kindly ask your concerned staff to contact my Ministry (Mr. Monowar Islam, Deputy Secretary, or Dr. Babar Kabir, PC SEMP) to work out the details.

Sincerely yours

Sabihuddin Ahmed
