Dear Sir,

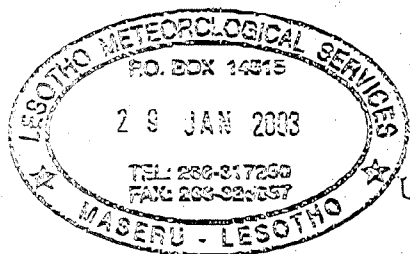

**SUBJECT: SUBMISSION OF A PROPOSAL FOR FUNDING FOR THE  
PREPARATION OF A NATIONAL ADAPTATION PROGRAMME OF ACTION  
(NAPA) ON CLIMATE CHANGE: LESOTHO**

In order to fulfil its obligations under the United Nations Framework Convention on Climate Change (UNFCCC), Lesotho submitted its Initial National Communication to the Conference of the Parties (COP) in 2000. Lesotho wishes to continue activities and programmes aimed at enabling the country to meet its obligations under the Convention.

Being one the Least Developed Countries, the country wishes to develop its National Adaptation Programme of Action on climate change, which will set a step towards the development of the Second National Communication to the UNFCCC.

I herewith wish to submit, through the United Nations Environment Programme (UNEP) as the Implementing Agency, the project proposal entitled "Preparation of a National Adaptation Programme of Action (NAPA)" for consideration for funding under GEF support.

I look forward to your continued cooperation and support.

Sincerely yours

B. T. Sekoli

UNFCCC Focal Point (Lesotho)
