Sub: National Capacity Self-Assessment Project Proposal

Dear Madam,

As you are aware that the RGoB had been granted a total of US \$ 25, 000:00 by the UNDP/GEF under the PDF A grant for the preparation of National Capacity Self-Assessment for project proposal. After series of consultative workshops with a wide range of stakeholders, the desired output of the PDF A grant has been achieved with the development of a NCSA project proposal.

We are hereby forwarding the project proposal for a total amount of US \$ US \$ 221,880 out of which the RGoB will be contributing US \$ 22,780 as contribution in kind. We would appreciate if UNDP could kindly submit the proposal to GEF for funding at the earliest.

We would like to take this opportunity to thank the UNDP and the GEF for the kind support Bhutan has received so far and we look forward to continued support in the future.

With best regards.

Yours sincerely,

Yanki T. Wangchuk
Yanki T. Wangchuk
Director General

CC:
Hon'ble Deputy Minister, National Environment Commission for kind information please.
