Dear Ms. Dominique Ait Ouyahia-McAdams

Re: Cambodia National Capacity Self Assesment for Global Environmental Management (CMB/01/G44)

In my capacity of the GEF Operational Focal Point for Cambodia, I would like to endorse my country's agreement to the proposal cited above to be presented through the United Nations Development Programme (UNDP) to the Global Environmental Facility for funding. This project is very crucial for Cambodia to identify country priorities and needs for capacity building to adress global environmental issues in biodiversity, climate change and land degradation.

Please accept, Ms. Resident Representative, the assurance of my high consideration.

Yours sincerely,

H.E. Khieu Muth
GEF Operational Focal Point for Cambodia
Director General
Ministry of Environment
