M. Frank Pinto
GEF Executive Coordinator

Dear Sir,

**Endorsement of National Capacity Self Assessment
(NCSA) for Global Environment Management**

In my capacity as Global Environment Facility (GEF) operational focal point for CHAD, I hereby endorse the enclosed proposal to access GEF funding to conduct a National Capacity Self Assessment for Global Environmental Management (NCSA) through the United Nations Development Programme.

Pursuant to the NCSA Operational Guidelines, the focal points* for climate change M. Moussa Tchitchao, biodiversity M. Habib Gademi and land degradation/desertification M. Mainbé Komandje have been fully consulted and their views taken into account in the formulation of this proposal.

CHAD considers the NCSA to be an important and valuable exercise in our ongoing efforts to protect the global environment while working to achieve our national sustainable development goals.

Sincerely,

GEF FOCAL POINT FOR CHAD
M. Oualbadet Magomna
