**To: Mr. Frank Pinto**  
**Executive Coordinator**  
**Global Environmental Facility and Deputy Leader, ESDG**

**Cc: Mr. Jerzy Skuratowicz**  
**Resident Representative**  
**UNDP Kyrgyzstan**

In my capacity as Global Environment Facility (GEF) operational focal point for the Kyrgyz Republic, I hereby endorse the enclosed proposal to access GEF funding to conduct a National Capacity Self Assessment for Global Environmental Management (NCSA) through the United Nations Development Programme.

Pursuant to the NCSA Operational Guidelines, the focal points\* for climate change, biodiversity and land degradation/desertification have been fully consulted and their views taken into account in the formulation of this proposal.

The Kyrgyz Republic considers the NCSA to be an important and valuable exercise in our ongoing efforts to protect the global environment while working to achieve our national sustainable development goals.

I am looking forward to our fruitful cooperation.

Sincerely,

**S. Chyrmashev**
