Dear Madam,

National Capacity Self Assessment ; Samoa

On behalf of the Government of Samoa, and as GEF Official focal point and similarly Focal Point for the Convention on Biological Diversity, UN Convention on Combating Desertification and the UN Framework Convention on Climate Change, this letter serves to provide endorsement for Samoa to take part in the National Capacity Self Assessment Project to be funded under the Global Environment Facility.

Thank you for your continuous support.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Aiono Mose Pouvi Sua'.
