Dear Sir,

Changes of the Sri Lanka Focal point for GEF conventions

The Ministry In-Charge of the subject of environment functions as the Sri Lanka national focal point for the UN Convention on Biological diversity (CBD), UN Framework Convention on Climate Change (UNFCCC), and UN Convention on Combating Desertification (UNCCD).

In the past, the subject of environment has been assigned to various ministries such as Ministry of Environment and Parliamentary Affairs, Ministry of Transport, Environment and Women's Affairs, Ministry of Forestry and Environment, Ministry of Environment and Transport etc.

However, at present the subject of environment has been placed under the Ministry of Environment and Natural Resources which has automatically become the national focal point for UN Convention on Biological diversity (CBD), UN Framework Convention on Climate Change (UNFCCC), and UN Convention on Combating Desertification (UNCCD). We have informed the respective Secretariats of the conventions of this change.

Particulars of the Ministry of Environment and Natural Resources are as follows;

Address: Mr. Thosapala Hewage, Secretary, Ministry of Environment and Natural resources, No. 82, Sampathpaya, Rajamalwatte Rd., Battaramulla, Sri Lanka.

Telephone: 94-01-2877290

Fax: 94-01-2877292

E-mail: forest@sri.lanka.net

I kindly request you to update the records accordingly.

Thank you,

Yours truly,

Thosapala Hewage
 Secretary
 Ministry of Environment and Natural Resources

Dear Sir,

ENDORSEMENT LETTER FOR NCSA PROPOSAL

In my capacity as Global Environment Facility (GEF) operational focal point for Sri Lanka, I hereby endorse the enclosed proposal to access GEF funding to conduct a national capacity Self Assessment for Global Environmental Management (NCSA) through the United Nations Development Programme.

Pursuant to the NCSA Operational Guidelines, relevant stakeholders of climate change, biodiversity and land degradation/desertification have been fully consulted and their views taken into account in the formulation of this proposal.

Sri Lanka considers the NCSA to be an important and valuable exercise in our ongoing efforts to protect the global environment while working to achieve our national sustainable development goals.

Thanking you,

Yours sincerely,

Thosapala Hewage
 Secretary
 Ministry of Environment and Natural Resources
