Subject: MFA/NCSA - National Capacity Self-Assessment (NCSA) for St. Kitts and Nevis
(PIMS # 2792)

Please find attached for your review and comments a request for NCSA funding entitled “**National Capacity Self Assessment**”.

The Implementing Agency and the GEF Focal Point of **St. Kitts and Nevis** have satisfied themselves that, pursuant to the NCSA Operational Guidelines, the focal points for climate change, biodiversity and land degradation/ desertification have been fully consulted and their views taken into account in the formulation of this proposal.

We would appreciate receiving your comments by **18-February-2004**.

Best regards.
