## National Capacity Needs Self-Assessment – Turkey

Dear Mr. Deleuze,

In my capacity as Global Environment Facility (GEF) operational focal point of Turkey, I hereby endorse the enclosed proposal to access GEF funding to conduct a National Capacity Needs Self Assessment for Global Environmental Management (NCSA) through the United National Environment Programme (UNEP).

Pursuant to the NCSA operational Guidelines, the focal points for climate change, biodiversity and land degradation/desertification have been fully consulted and their views taken into account in the formulation of this proposal.

Sincerely Yours

Prof. Dr. Hasan Zuhuri SARIKAYA  
Undersecretary  
GEF Operational Focal Point
