National Capacity Needs Self-Assessment Vanuatu

Dear Mr. Djoghlat,

In my capacity as Global Environment Facility (GEF) operational focal point for Vanuatu, I hereby endorse the enclosed proposal to access GEF funding to conduct a National Capacity Needs Self-Assessment for Global Environmental Management (NCSA) through the United Nations Environment Programme (UNEP).

Pursuant to the NCSA Operational Guidelines, the focal points for climate change, biodiversity and land degradation/desertification have been fully consulted and their views taken into account in the formulation of this proposal.

Mr Ernest
Head, Vanuatu Environmental Unit
