Dear Sir,

**Re: GEF PDF - (BLOCK B) PROJECT PROPOSAL ON THE IDENTIFICATION  
AND OVERCOMING BARRIERS TO THE WIDESPREAD ADOPTION OF  
PHOTOVOLTAIC RURAL ELECTRIFICATION**

We refer to the above-mentioned proposal that has been submitted to us by the Permanent Secretary Ministry of Finance and Development Planning for endorsement.

The proposal is in consonance with the objectives of Chapter 9 of Agenda 21, Chapter 8 of the National Development Plan 8 and the National Conservation Strategy's, National Policy on Natural Resources Conservation and Development, Government Paper No 1 of 1990.

We therefore endorse the proposal for submission to the Global Environmental Facility (GEF) for funding in our capacity as the GEF National Focal Point.

Thank you.

Yours faithfully
